8/15: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 960 new photos and 14 minutes of new video.

In the photo galleries, we have several terrific closeup shoots with Ivy A. with the focus on her cone exhales, snaps and smoke rings. There are also playful casual and sexy lycra shoots as well. And in the R/X galleries, Mel L. (in white pants) and Page (in a sweet black corset) hang out topless and smoke; Page shows her usual great rings and french inhales, while Mel shows her cone exhales and recycled frenches.

In the video galleries, we have several shoots with Maddie, one casual and one cool; her style is, as always, incredible – perfect mouth/nose exhales, big snaps and frenches, and there are lots of double drags in the last scene as she chains two colored cigarettes.
